

A N INSURANCE AGAINST SUDDEN DEATH!

For Sufferers From Backache, Rheumatism and Kidney Trouble.

Before an Insurance Company will take a risk on your life the examining physician will test the urine and report whether you are a good risk. When your kidneys get sluggish and clog, you suffer from backache, sick-headache, dizzy spells, or the twinges and pains of lumbar, rheumatism and gout. The urine is often cloudy, full of sediment; channels often get sore and sleep is disturbed two or three times a night. This is the time you should consult some physician of wide experience—such as Dr. Pierce of the "Invalide" Hotel and Surgical Institute, Buffalo, N. Y. Send 10c for large trial package of "Anuric." Write your symptoms and send a sample of urine for test. Experience has taught Dr. Pierce that "Anuric" is a most powerful agent in dissolving uric acid, and is endowed with other properties, for it preserves the kidneys in a healthy condition by thoroughly cleansing them. Being so many times more active than lithia, "Anuric" clears the blood and filters out those deposits of lime-salts which cause so much pain, and prevents dropsical conditions such as swollen hands or feet and the bag-like appearance under the eyes. "Anuric" is a regular insurance and life-saver for all big meat eaters and those who deposit lime-salts in their joints. Ask the druggist for "Anuric" put up by Dr. Pierce, in 50-cent packages, or send \$1.00 to Dr. Pierce for full treatment by mail.

Dr. Pierce's Pleasant Pellets for the liver and bowels have been favorably known for nearly 50 years.—Adv.

FLAG DAY WILL BE CELEBRATED BY BOY SCOUTS

Plans Announced Which Will Give True Ring of Patriotism to June 14

Flag Day, June 14, will be fittingly celebrated by the Boy Scouts of Honolulu. On that evening all the Boy Scouts in Honolulu will be present at the Mission Memorial, on King street, where a big program will be held, including the flag-raising ceremony.

Scouts and their parents will be invited to attend the program, and a number of special features are being promoted for the Flag Day exercises. Included in the program may be music, by the Hawaiian band, troop reports, a tableau and a patriotic address.

One of the plans that has been proposed is to have one of the young actresses portray Betsy Ross, who made the first American flag. The committee composed of Rolla K. Thomas, R. E. Lambert and L. R. Kilham is now working on a complete program for the big celebration.

The Scout oath, law, motto and habit will be repeated in unison and the first and last verses of "America" will be sung.

One of the chief features of the program announced today is that Rev. George Laughton of Hilo will deliver the address of the evening. John Guild, president of the local council, will preside.

MATTER OF WHO ARE OFFICERS YET UNDECIDED

Judge Monsarrat announced this morning that he was not yet prepared to hand down a decision in the Niahoe case, which involves the authority of special policemen appointed by the sheriff, but not on the eligibility list prepared by the civil service commission.

Attorney Lorin Andrews last week raised the question of all special police officers' authority when he declared in defending Niahoe on a charge of assaulting a police officer, Ben Jacobson, that the latter was not a police officer according to the statutes.

At that time the judge stated that from what he had heard he favored Mr. Andrews' contention but from his statement from the bench today that it was a vital issue affecting over 100 special officers and his request for more time to look up authorities led the police to believe that he would rule that Jacobson and others holding similar commissions are acting under proper authority.

CONTROL OF HUSTACE-PECK COMPANY PASSES

Control of the Hustace-Peck Company has been sold by Frank Hustace and W. H. Smith to Charles H. Atherton. A. F. Clark will assume the management. It is stated that the transaction involves between \$40,000 and \$50,000.

NOTICE

As a part of the program of Punahou Day an exhibition of Punahou memorabilia will be held in Cooke Library. The committee desires to secure exhibits of photographs, old diplomas, programs, school essays, drawings and other things in any way connected with Punahou. Any one having anything which will add to the completeness or interest of this exhibition will please communicate at once with the chairman of the committee. All exhibits will be carefully taken care of; the most valuable ones will be put in the vault until the day of the exhibition.

DIRECTORS' MEETING POSTPONED TO AFTERNOON

Owing to important engagements of members of the directorate of Mineral Products Company, the meeting of the board, which was to have been held at 10 o'clock, was postponed until 3 this afternoon and is in session as the Star-Bulletin goes to press.

A report of John Watt on the conditions he found on visiting the property and possible determination of future policy are, it was stated, likely to take up the attention of the meeting.

THE "BIG 4" VITAPHONE FEATURE IN 5 REELS

"THE TURN OF THE ROAD"

Most of the mistakes in life are avoidable. Half of our faults could be eliminated if we stopped to think. John King did not think. He plunged headlong into the yawning abyss of discontent via subterfuge road. He deceived his wife. He tried to abandon her. His child lay at the point of death—yet he did not stop. He took the step that would lead to destruction—despair—defeat. John King knew he was wrong—his conscience told him so. The entreaty of his sick child bade him stay, but he did not. He was in the clutches of a vampire. But righteousness finally, by a trick of fate, overcomes wrongdoing.
